

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2017 Continuum of Care (CoC) Program Competition. For more information see FY 2017 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2017 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2016 Project Application will be imported into the FY 2017 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2016 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2017 CoC Program Competition NOFA.

Additional Information

Now that you have completed Part 1 of the application, please review Parts 2-7, which are in Read Only mode. Screen 3C, which is mandatory for all PH-PSH projects and screens 6D, 7A and 7B which are mandatory for all projects will be editable and must be answered prior to submission.

Once you are done reviewing, you will be guided to a "Submissions without Changes" screen. At this screen if you decide no edits or updates are required to any screens other than the mandatory questions for 3C and/or 6D,7A and 7B, you are allowed to submit the application without ever needing to edit the rest of the application. However, if you determine that changes need to be made to the application, we have given you the ability to open up individual screens for edit, instead of the entire application.

Once you select the screens you want to edit via checkboxes, you will click "Save", and those screens will be available for edit. An important reminder, once you make those selections and click "Save", you cannot uncheck those boxes. You are allowed to select additional boxes even after saving your initial selections. Again, you must click "Save" for those newly selected screens to be available for edit.

If your project is a First Time Renewal, your project will not be able to utilize the "Submit Without Changes" function. The Submissions Without Changes page will be automatically set to "Make Changes" and you will be required to input data into the application for all required fields relevant to the component type.

1. Provide a description that addresses the entire scope of the proposed project.

Urban Ministries of Durham (UMD) seeks to continue Fresh Start Durham, a progressive engagement rapid rehousing (RRH) initiative to enhance Durham’s system for serving chronically homeless single adults. Chronically homeless single adults who are not eligible for veteran’s services, have been in the shelter for over 60 days with no prospects for housing, have demonstrated the potential for at least part-time earned income to end their homelessness and generally have Vulnerability Index-Service Prioritization Decision Assistance Tool (VI-SPDAT) scores of 10 or below, will be considered for rapid rehousing prior to permanent supportive housing. Via this progressive engagement approach, limited permanent supportive housing will not be used for those who can sustain housing via a less intensive option, more chronically homeless persons will be housed and lengths of stay in shelter will be reduced. The goal is to house 18 individuals’ total. Fresh Start Durham (CoC) participants will work with a case manager to implement a personalized Pathway Plan, to gain and sustain income and housing and including priorities and step-by-step goals. Using a Housing First approach, participants will receive rental financial assistance, generally for up to 6 months, combined with life skills, financial management training, employment support, medical referrals and connections with providers and mainline benefits. UMD will partner with Durham Literacy Council, Community Empowerment Fund, Durham Tech, StepUp Durham, Lincoln Community Health, Alliance Behavioral Healthcare, and homeless service providers, to enhance workforce and housing stability. Though clients may live wherever their budgets allow, shared housing will be encouraged as permanent rental options to provide a financially feasible fresh start and a path to long term self-sufficiency. If after 6 months there are individuals who are demonstrating that they are not able to maintain permanent housing with rapid rehousing and need more extensive intervention, they will be prioritized for Housing Choice Vouchers provided for homeless persons by Durham Housing Authority and permanent supportive housing offered by CoC providers through the community’s system for housing chronically homeless persons. UMD piloted an approach similar to Fresh Start in Spring 2015 for nine selected adult participants. We subsequently entered the CoC FY2015 grant funding competition and received notice of awarded funding in May 2016 to support Fresh Start Durham. We began service in March 2017 and so far have housed 8 chronically homeless clients.

HUD expects the original details of past approved budgets for these costs to be the basis for future expenses.
